ENROLLMENT INFORMATION FOR 2018-2019 IS BELOW

It is a pleasure to see your children's enthusiasm and eagerness to learn each and every day. We have been learning about winter weather and activities through stories and songs about snowmen (Frosty!), Suzy Snowflake for our M-W-F students and bear hunting for our T-TH students. In February we will begin talking about different types of clocks and time and Valentine's Day. And as always, we focus on good manners and positive social interaction every day. **Please do not send in Valentine's for your child's classmates. For Valentine's Day each child made a special Valentine for their parents.**

- Mrs. Beverley Mulford

CONFERENCES

Teachers will call to schedule a conference with each parent.

Teachers have begun evaluating students using the Mulford Test methodology, consisting of individual tests with each child and evaluations by teachers. Teachers will call to schedule a conference during which they will review your child's progress and recommendations for the following year.

A teacher is a rainbow between hope and achievement.

The birds are gone, the world is white,
The winds are wild, they chill and bite;
The ground is thick with slush and sleet,
And I can barely feel my feet.

Snowflakes, snowflakes,
Falling to the ground.
Each one rests so gently,
They never make a sound!
Snowflakes, snowflakes,
Are so pure and white,
The special thing about them is-
No two are alike.

I love snow. I love snow.
Soft, white snow; soft, white snow.
It falls on the ground so soft and white.
Sometimes it falls all through the night.
Did you ever see such a beautiful sight?
